**Responsible Office** – Information Technology, Administration

**Official** – Anthony Hambey

**Contact(s)** – Anthony Hambey, 226-4849, [ahambey@bsc.edu](mailto:ahambey@bsc.edu)

**Applies To** – All faculty

**Effective Date** – 9/4/2012

**Revision Dates** – 8/31/2021

1. **Introduction/Background** – Official College work will be conducted using provided computer technology. Therefore, computers will be refreshed on an on-going basis as deemed appropriate.
2. **Purpose** – As faculty members join and separate from the college it is necessary to manage the computer equipment provided in accordance with best practices.
3. **Applicable Regulations** – SACSCOC, Principles of Accreditation 2018
4. **Policy Statement** –
  - Standard PC computer equipment provided by the College will be used to furnish faculty offices. Exceptions may be allowed, but only for an occurrence where software applications will not run on a PC. In these cases justification must be provided that a PC will not adequately perform the task thus requiring something other than a PC.
  - An annual review of College provided technology will be conducted by Information Technology staff during the budget process. In this review a determination will be made as to which equipment will be refreshed.
5. **Details** –The guidelines used are to refresh office computers on a 4-year cycle. In other words, office computers are to be refreshed during the time following the 4<sup>th</sup> year of use. Faculty members joining the College in an existing teaching position will inherit the office computer left by the previous faculty member. Faculty members joining the College in a new teaching position will be provided an appropriate computer funded by the new position budget.
6. **Definitions** – SACSCOC is the Southern Association of Colleges and Schools, Commission on Colleges.
