

# Campus Alerts Verification

On the BSC website under MyBSC select **Ginkgo GO**.

Enter your BSC **username** and **password** to access to the system.

Select the 3 horizontal bar or hamburger icon to display the available options.

Select the **Campus Alerts** form.

Verify the text and voice numbers for the alerts.

**Note:** Your BSC email address is already in the system and used by default.

Two additional email addresses can be added if desired.

Click **Submit** to update your information.

A screenshot of the BSC 'Campus Alerts' form. The title is 'Campus Alerts' and the subtitle is 'Emergency Notification System'. Below this is a paragraph explaining the system. A table is provided for entering contact information. Below the table, there is a note about text messages, a list of carrier email addresses, and another note about processing changes. At the bottom, there is a 'Submit' button and the version number 'v2.1.5'.
