

Open their world to the **arts** CONSERVATORY OF FINE AND PERFORMING ARTS
spring 2017

Term begins January 9

www.bsc.edu/academics/music/conservatory

Pre-School Music Classes

Time for Music with Toddlers (18mos-3yrs).

A unique musical experience for toddlers and their caregivers. Music comes alive through singing, dancing and instrument playing.

Tuition: \$150 for 10 week term/30 minute classes. Days/Times TBA.

Music Time (3-4yrs). Delightful music in a variety of styles, instrument exploration, singing, storytelling and creative dance. Caregiver not present.

Tuition: \$150 for 10 week term/30 minute classes. Days/Times TBA.

Moppets Music Time

A general musicianship class designed for girls and boys ages 4 and 5, Moppets Music Time emphasizes pre-piano skills in listening, ear training, and rhythm, through the use of games, body movement, improvisation, and singing.

Instruction utilizes rhythm instruments, Orff instruments, and piano, with piano forming the core of this program. Learning music together in a small group is fun for the young child and serves as a great motivator.

Tuition: \$200 for 45-minute weekly class per 8-week term. Days/Times TBA.

Piano (Private Instruction)

Our program offers private lessons of 30, 45, or 60 minutes. Students are required to have access to a piano for daily practice.

Students can perform at Conservatory recitals which are held throughout the semester. Repertoire classes also meet to give students the opportunity to perform in an informal atmosphere.

The Conservatory Awards Program and Recital is given at the end of the year. Participants in this recital must audition for the opportunity to compete. Awards are presented during this program for students who have met the requirements. For details consult with your private instructor

In addition to on-campus instruction, the Conservatory offers piano lessons in Cahaba Heights, Mt. Brook, Gardendale and Hoover.

(See reverse for tuition information)

Conservatory Theory Program

The Carnegie Hall Royal Conservatory Achievement Program provides a recognized national standard of musical success through a sequenced course of study from beginner to advanced levels. We use the theory books in this program, and each book is level-appropriate. Teachers will check progress weekly during the student's private lesson. Three group classes are also offered during the semester, one hour before/after recitals, for study and ear training. (Students do not have to attend the group classes in order to participate in the program).

Class Dates: 11 am on January 28, March 11, April 8.

Tuition: \$25 per term (books included)

BSC Birmingham-Southern College

Organ (Private Instruction)

Organ students learn service playing, improvisation, and transposition in addition to basic organ repertoire. We encourage the study of organ for older students who already have some background in piano. There are many churches in the Birmingham area who do not have organists and who are looking for talented young people with knowledge of organ playing.

Voice (Private Instruction)

The primary goal of voice lessons is the development of a basic vocal technique that will serve the student well in any singing situation. This basic study includes correct posture, breathing, vowel placement, and consonant articulation. This technique is developed through the study of styles of music. Students may also receive valuable guidance for performance in school, church, and pageant events.

Voice lessons are offered on the BSC campus and at the Hoover campus.

Band Instruments (Private Instruction)

The Conservatory offers private lessons in woodwinds, brass and percussion instruments. Many elementary, junior high, and high school students find their experience in band is enriched by private study in their instrument. Adults may wish to brush up on an instrument they learned in youth or take lessons because they wish to learn to play an instrument.

Guitar (Private Instruction)

Students will learn classical guitar technique (finger style). Students must provide their own instrument (nylon string classical guitar). Instruction is available for age 10 to adult.

Violin (Private Instruction)

Violin instruction is offered with the traditional method of teaching and the Suzuki method is also offered. Students must provide their own instrument. Lessons are 30 or 45 minutes.

Tuition (Private Instruction)

<i>30-Minute lesson</i>	<i>45-Minute lesson</i>	<i>60-Minute lesson</i>
\$450 for 30-minute private lesson weekly per 15-week term	\$570 for 45-minute private lesson weekly per 15-week term	\$675 for 60-minute private lesson weekly per 15-week term
