

FERPA, PARENTS AND GRADES

FERPA assumes that all students are independent students; therefore, parents cannot be given information on their son/daughter without the student's written permission. Parents with questions concerning their son or daughter should contact the Office of Academic Records at 205-226-4677.

In compliance with FERPA, the college does not mail grades to parents. However, parents should be aware of the TheSIS system on the web. If students choose, they may share their login and password with parents. This would enable parents to view student information via the TheSIS system and still be in compliance with FERPA.
