1Y COURSES EXPLAINED

In the Fall Term of 2001, Birmingham-Southern College instituted a new set of general education requirements for entering students. Those requirements, named *Foundations in General Education*, call for each first-year student to enroll in three courses with only entering students in them. Consequently, any course with a 1Y (First-Year Foundations) designation is reserved solely for entering first year students in the Fall and may not be registered for by current students.

IMPORTANT REMINDER REGARDING COMMUNICATION

The Office of Records and Research began using e-mail as the official form of communication for sending permission to register times for registration and other pertinent information to students beginning fall 2004.

GENERAL INFORMATION

REGISTRATION INSTRUCTIONS FOR COURSE PLAN FORM

1. All course plan forms must be approved and signed by your advisor prior to processing.
2. **LAB COURSES**
 - A. Courses offering only one lab should have L1 listed under section.
 - B. Courses offering more than one lab should have L1, L2, L3, etc. listed.
3. **PRIVATE MUSIC COURSES (MS)** must be approved by the Music Department.
4. **Language 101 and 201** courses require consent of instructor.
5. **AUDIT COURSES** must have instructor's signature under consent section.
6. **UAB, SAMFORD, MONTEVALLO AND MILES BACHE COURSES** must have THEIR department and course number. UA, SU, MC, or UM must be listed under section. A BACHE request form approved by the Provost of the College is required. Forms are available in the Office of Records and Research.
7. All course registrations require a class section.
8. **International students** must take a full course load, (3 or more courses) in order to maintain F1 student status. If you need to drop a course, please see Pat Kidd in the Office of Admission prior to dropping the course.

REGISTRATION INSTRUCTIONS FOR CONTRACTS

All contracts, tutorials, and individualized courses ending with 93, 97, 99 must be registered through the Contract Learning Center. The deadline for registering for contracts (except internships) is the same as other courses.

REGISTRATION INSTRUCTIONS FOR SAMFORD AIR FORCE ROTC CLASSES

Course information regarding Samford Air Force ROTC classes can be picked up at the Office of Records and Research.

COURSES REPEATED AND REDEEMED

If you plan to re-take (redeem) a course, please contact Danny Brooks, Dean of Research and Records prior to registering. Any course repeated is done with the understanding that the last grade earned will take precedence over all previous grades earned. All work attempted and all grades earned will be shown on the student's transcript. A student who has passed a course with a grade of "C" or higher may repeat the course only on an audit basis. A student who has earned a grade of "C-" or below in a course may redeem the course under the following conditions:

1. A course may be redeemed only by repeating the same course at Birmingham-Southern College (or at the same institution where the course was originally taken).
2. Before a course taken elsewhere may be redeemed, the Dean of Research and Records and the chair of the appropriate division must approve the choice of the course to be taken.
3. No credit will be granted for the first time the course was taken, and the first course will be listed on the student's transcript as "**redeemed**." The grade from the first course will appear on the transcript but will not be used to compute the student's grade point average.
4. A student may redeem a course a second time, but in such a case both the second and third grade will be used to compute the student's grade point average.

BACHE PROGRAM

The **BACHE** Cooperative Course Exchange Program (Birmingham Area Consortium of Higher Education) dramatically expands the variety of course offerings available to students within the colleges of the Consortium and universities, which include BSC, Samford, UAB, Montevallo, and Miles College. Full-time students enrolled at a BACHE Institution who are in good academic standing at the home campus may, with written permission from their academic advisor and Provost and at no additional charge, take a course at another BACHE campus if it is deemed to be beneficial to the student's overall educational program. For course exchange policy and registration forms visit the Office of Records and Research on campus or call Barbara Brown, 226-4697.

SCHEDULE CHANGES AFTER REGISTRATION

All schedule changes require the advisor's approval of the change. A student who has pre-registered for any term may add or drop courses on the registration date for that term. After that date, changes in schedule are made through the Office of Records and Research. A fee of \$20 is charged for each change after the first two weeks of class unless the change is at the request of the College. No course may be added after the first two weeks of a term during the regular academic year or after the first week of a summer term. All schedule changes which require a fee will be automatically billed to your student account.

NEW ADD COURSE POLICY / PROCEDURE

Beginning the Fall Term 2005, BSC will implement a new policy regarding adding courses. During the first week of classes, students are only required to obtain their advisor's signature as in the past. However, after the first week of classes, a student must obtain both instructor and advisor signature to 'add' a course. The dropping course procedure will remain the same. All drops require advisor signature only.

To receive federal funds, a student must be enrolled at least half-time (with the exception of the Pell Grant -- student may receive Pell by being enrolled 1/2 time). The Alabama Student Grant application must be filed with the Office of Financial Aid prior to September 15. *Financial Aid is located on the 2nd floor, Phillips Administration Building.*

FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

Birmingham-Southern College is in compliance with the policies and procedures regarding privacy of student records as described in the Family Educational Rights and Privacy Act of 1974. Directory information which may be provided to persons outside of the College include: student name, address, telephone number, email address, photo, major field of study, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, participation in college activities and sports. Students may withhold Directory Information annually by notifying the **Dean of Research and Records** in writing. Such notification must be given within ten days of the first day of class for a particular term. The request to withhold directory information will remain in effect as long as the student continues to be enrolled; or until the student files a written request with the Dean of Research and Records to discontinue the withholding. Students have the option of removing only their photo from the BSC website and not withholding their directory information. Please contact Records and Research for this service. Students wishing to review their educational records must make written request to the Dean of Research and Records. Only records covered by the Act will be made available within forty-five days of the request. A fee of \$3, payable in advance, is charged for each copy.

The Dean of Research and Records has the institutional responsibility for interpreting (a) the Family Educational Rights and Privacy Act of 1974, as amended, (b) rules and regulations issued by the Department of Education, to enforce this Act, and (c) the written policy of the institution.

T H E S I S

Birmingham-Southern College is proud to bring students *TheSIS*, the student information system on the web. *TheSIS* enables students to access their student records online in real-time and faculty to access advisee information in the same manner. You may access *TheSIS* at the main page of the BSC web page located at www.bsc.edu or at the Records and Research web page at www.bsc.edu/records , then click on the *TheSIS* logo, which will direct you to a secure server.

If you have problems logging into *TheSIS* or any other technical problems, please contact the Help Line at 3033. If your problem is grades or records related, please contact Records and Research at 4677.
