Any course with a 1Y (First-Year Foundations) designation is reserved solely for entering first-year students in the Fall and may not be registered for by current students. For additional information, please refer to the Foundations Curriculum Requirements for B.A. and B.S. Degree Programs section located in the *College Catalog*.

IMPORTANT NOTES FOR STUDENTS AND PARENTS

The Office of Records uses e-mail as the official form of communication for sending permission to register times for registration and other pertinent information to students.
Please check your email inbox often.

FERPA assumes that all students are independent students; therefore, parents cannot be given information on their son/daughter without the student's written permission. Parents with questions concerning their son or daughter should contact the Office of Records at 205-226-4677.

In compliance with FERPA, the college will no longer mail grades to parents. However, parents should be aware of the TheSIS system on the web. If students choose, they may share their login and password with parents. This would enable parents to view student information which includes grades.

COURSES REPEATED AND REDEEMED

If you plan to re-take (redeem) a course, please contact Danny Brooks, Dean of Academic Records prior to registering. Any course repeated is done with the understanding that the last grade earned will take precedence over all previous grades earned. All work attempted and all grades earned will be shown on the student's transcript. A student who has passed a course with a grade of "C" or higher may repeat the course only on an audit basis. A student who has earned a grade of "C-" or below in a course may redeem the course under the following conditions:

1. A course may be redeemed only by repeating the same course at Birmingham-Southern College (or at the same institution where the course was originally taken).
2. Before a course taken elsewhere may be redeemed, the Dean of Academic Records and the chair of the appropriate department must approve the choice of the course to be taken.
3. No credit will be granted for the first time the course was taken, and the first course will be listed on the student's transcript as "**redeemed**." The grade from the first course will appear on the transcript but will not be used to compute the student's grade point average.
4. A student may redeem a course a second time, but in such a case both the second and third grade will be used to compute the student's grade point average.

Full-time students enrolled at a BACHE Institution who are in good academic standing at the home campus may, with written permission from their academic advisor and Provost and at no additional charge, take a course at another BACHE campus if it is deemed to be beneficial to the student's overall educational program. For course exchange policy and registration forms visit the Office of Records on campus or call Barbara Brown, 226-4697.

SCHEDULE CHANGES AFTER REGISTRATION

During the first week of classes of the registration/confirmation period, students may add or drop using TheSIS. After the first week, students will need to use the paper drop/add form found in the Records Office or on the Records web site to make a change with the approval of their advisor.

A fee of \$20 is charged for each change after the first two weeks of class unless the change is at the request of the College. No course may be added after the first two weeks of a term during the regular academic year or after the first week of a summer term. All schedule changes which require a fee will be automatically billed to your student account.

FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

Birmingham-Southern College is in compliance with the policies and procedures regarding privacy of student records as described in the Family Educational Rights and Privacy Act of 1974. Directory information which may be provided to persons outside of the College includes student name, address, telephone number, email address, photo, major field of study, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, participation in college activities and sports. Students may withhold directory information annually by notifying the **Dean of Academic Records** in writing. Such notification must be given within ten days of the first day of class for a particular term. The request to withhold directory information will remain in effect as long as the student continues to be enrolled, or until the student files a written request with the Dean of Academic Records to discontinue the withholding. Students have the option of removing only their photo from the BSC website and not withholding their directory information. Please contact Records for this service. Students wishing to review their educational records must make written request to the Dean of Academic Records. Only records covered by the Act will be made available within forty-five days of the request. A fee of \$3, payable in advance, is charged for each copy.

The Dean of Academic Records has the institutional responsibility for interpreting (a) the Family Educational Rights and Privacy Act of 1974, as amended, (b) rules and regulations issued by the Department of Education, to enforce this Act, and (c) the written policy of the institution.
