## COURSES REPEATED AND REDEEMED

If you plan to re-take (redeem) a course, please contact Danny Brooks, Dean of Research and Records prior to registering. Any course repeated is done with the understanding that the last grade earned will take precedence over all previous grades earned. All work attempted and all grades earned will be shown on the student's transcript. A student who has passed a course with a grade of "C" or higher may repeat the course only on an audit basis. A student who has earned a grade of "C-" or below in a course may redeem the course under the following conditions:

1. A course may be redeemed only by repeating the same course at Birmingham-Southern College (or at the same institution where the course was originally taken).
2. Before a course taken elsewhere may be redeemed, the Dean of Research and Records and the chair of the

appropriate division must approve the choice of the course to be taken.

3. No credit will be granted for the first time the course was taken, and the first course will be listed on the student's transcript as "**redeemed**." The grade from the first course will appear on the transcript but will not be used to compute the student's grade point average.

4. A student may redeem a course a second time, but in such a case both the second and third grade will be used to compute the student's grade point average.

### **BACHE PROGRAM**

The **BACHE** Cooperative Course Exchange Program (Birmingham Area Consortium of Higher Education) dramatically expands the variety of course offerings available to students within the colleges of the Consortium and universities, which include BSC, Samford, UAB, Montevallo, and Miles College. Full-time students enrolled at a BACHE Institution who are in good academic standing at the home campus may, with written permission from their academic advisor and Provost and at no additional charge, take a course at another BACHE campus if it is deemed to be beneficial to the student's overall educational program. For course exchange policy and registration forms visit the Office of Records and Research on campus or call Barbara Brown, 226-4697.

### **SCHEDULE CHANGES AFTER REGISTRATION**

All schedule changes require the advisor's approval of the change. A student who has pre-registered for any term may add or drop courses on the registration date for that term. After that date, changes in schedule are made through the Office of Records and Research. A fee of \$20 is charged for each change after the first two weeks of class unless the change is at the request of the College. No course may be added after the first two weeks of a term during the regular academic year or after the first week of a summer term. All schedule changes which require a fee will be automatically billed to your student account.

**ALL SCHEDULE CHANGES MUST BE VERIFIED BY YOUR ADVISOR. REGISTRATION COURSE PLAN FORMS MUST BE SIGNED BY YOUR ADVISOR PRIOR TO PROCESSING. 1Y course drops must be signed by Martha Ann Stevenson. Her office is located on the second floor of Munger Hall.**

**NEW POLICY REGARDING ADDING COURSES**

BSC has implemented a new policy regarding adding courses. During the first week of classes, students are only required to obtain their advisor’s signature as in the past. However, after the first week of classes, a student must obtain both instructor and advisor signature to ‘add’ a course. The dropping course procedure will remain the same. All drops require advisor signature only.

**FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)**

---

Birmingham-Southern College is in compliance with the policies and procedures regarding privacy of student records as described in the Family Educational Rights and Privacy Act of 1974. Directory information which may be provided to persons outside of the College include: student name, address, telephone number, email address, photo, major field of study, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, participation in college activities and sports. Students may withhold Directory Information annually by notifying the **Dean of Research and Records** in writing. Such notification must be given within ten days

Students wishing to review their educational records must make written request to the Dean of Research and Records. Only records covered by the Act will be made available within forty-five days of the request. A fee of \$3, payable in advance, is charged for each copy.

**The Dean of Research and Records has the institutional responsibility for interpreting** (a) the Family Educational Rights and Privacy Act of 1974, as amended, (b) rules and regulations issued by the Department of Education, to enforce this Act, and (c) the written policy of the institution.

## 1Y COURSES

---

In the Fall Term of 2001, Birmingham-Southern College instituted a new set of general education requirements for entering students. Those requirements, named *Foundations in General Education*, call for each first-year student to enroll in three course with only entering students in them. Consequently, any course with a 1Y (First-Year Foundations) designation is reserved solely for freshman who entered in the Fall and may not be registered for by current students.

It can be found by selecting the Cultural Event Information System (CEIS) link off of the bottom front page of the BSC website main page.

Here is the information that you will need to know initially in order to access this user friendly system. Once you have accessed the system you have the option to change your password. For the purpose of securing your data please remember to select "Terminate my CEIS session" in order to close your file and exit the system.

- Your "user ID" is the last seven numbers printed on your BSC student ID Card **not** your social security number.
