2015–16 Donor Report

Thank you from all of us at Birmingham-Southern College to all the donors who supported the college in our 2015-16 fiscal year. Each individual, corporation, and foundation listed here has made a significant contribution to move Birmingham-Southern College forward. We are grateful to each and every one of them for their generosity.

The alumni, friends, and organizations listed in this Donor Report are those who made gifts or pledge payments to Birmingham-Southern College that were received between June 1, 2015 and May 31, 2016. This listing does not include (1) those who made pledges during this time period but have not yet made pledge payments, and (2) those whose gifts have been received since May 31, 2016. These donors will be listed in next year's Donor Report. Every effort is made to ensure the accuracy of these lists; however, if you believe that a mistake has been made or if you have any questions, please contact the Office of Advancement at (205) 226-4909.
